TO ALL GPs AND PRACTICE MANAGERS

Dear Colleague

I apologise for sending this email to all GPs but the LMC does not have a list of those doctors who perform appraisals on behalf of the Birmingham PCTs. Dr Doug Wulff, the Cluster PCT Associate Medical Director, is currently undertaking a consultation process on proposals to adopt standard terms and conditions for GP appraisers across the Cluster. Meetings have already taken place to which current GP appraisers have been invited.

The PCT has a statutory duty to consult the LMC over any changes it proposes to make to the system of appraisal. If you are an appraiser and have any views on the proposed changes, either positive or negative, please let me know and I shall ensure that they are raised in our discussions with the PCT.

Yours sincerely

Dr Charles Zuckerman
Medical Secretary to Birmingham LMC
